

**HONEY BEE RESEARCH FUNDING REQUEST**  
NORTH DAKOTA DEPARTMENT OF AGRICULTURE  
APIARY PROGRAM  
SFN 61047 (4-2016)

|  |                                     |       |                  |          |
|--|-------------------------------------|-------|------------------|----------|
| Date   | Name of Organization or Institution |       |                  |          |
| Address  |                                     | City  | State            | ZIP Code |
| Email Address  |                                     |       | Telephone Number |          |
| Primary Investigator   |                                     | Title |                  |          |
| Project Title  |                                     |       | Amount Requested |          |
| Expected Completion Date of Project  |                                     |       |                  |          |
| Are you requesting funding for the entire project from this committee? <input type="checkbox"/> Yes <input type="checkbox"/> No                |                                     |       |                  |          |
| If you are accepting other funding what is the total cost of the project?  |                                     |       |                  |          |
| Will you be working with any North Dakota beekeepers for any portion of this project? <input type="checkbox"/> Yes <input type="checkbox"/> No |                                     |       |                  |          |
| If yes, to what extent?  |                                     |       |                  |          |

**Complete and submit this form along with the following:**

- A complete summary of the project including rationale and how the objectives will be met
- Financial plan
- Information about previous research experience and qualifications
- Any additional information that is considered pertinent and that will enhance the quality of the proposal

Send completed proposal to:

Samantha Brunner, State Apiary Inspector  
North Dakota Department of Agriculture  
600 East Boulevard Ave, Dept. 602  
Bismarck, ND 58505-0020
